SHOP OUR SELECTION ONLINE

Camelot ReLeaf makes it easy and affordable to get a native tree professionally planted in your yard!

For \$185 we offer a native tree, delivered, planted, mulched, and deer-protected.

*Discount offered for Camelot Garden Club members

Just order and Camelot ReLeaf takes care of the rest!

Want advice?

We offer a free site visit to discuss the best place to plant your tree, as well as advice on the best species to plant depending on your site conditions.

To schedule a visit, email us at: camelotreleaf@gmail.com

Camelot ReLeaf is a service project sponsored by the Camelot Garden Club. Consider joining the club for access to expert speakers, field trips to regional gardens and farms, plant sales and exchanges, and the chance to meet neighbors.
